The International Membership Card: The key to Youth Hostels world-wide

Hostelling International is a membership organization. A worldwide network of 4.200 hostels in over 60 countries!

To use our hostels, you need a membership card issued by the youth hostel association of your home country. Please contact your national office.

Your national membership card is valid for local and international travel if your country is a full member of the International Youth Hostel Federation (IYHF). To check the status of your country, you find informations:

www.iyhf.org

If your country is not a full member of the IYHF or you have been living in your country of residence for less than 12 months, you can buy a Hostelling International "Welcome Stamp". This enables you to use the hostel facilities - you can purchase one stamp each night (EUR 3,10 per stamp) you stay in a hostel, or purchase all six stamps at once (EUR 18,60). With six stamps, your card is valid for 12 months from the date of issue.

There is also a full Hostelling International Card available with a pre printed stamp. The price of this card is EUR 15,50.

Informations for families: Both parents will need an individual Hostelling International Card. Any child in that family under 18 years will be covered by the parent's Hostelling International Card.

If you have lost or forgotten your national membership card and have to buy a Hostelling International Card no refund is possible according to the IYHF guidelines.

Membership of Hostelling International also entitles you to thousands of discounts worldwide - to find more informations: www.Hihostels.com
