You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don’t need a corset if they’ve got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Location & Directions

The Youth Hostel of Creglingen is situated on the eastern outskirts of the town.
