Arriving by train/bus/metro

The youth hostel is 6 km away from Feldberg-Barental station (station of the DreiSeenBahn line from Freiburg to Seebrugg). From there, you can take a bus (7300 line to Titisee-Todtnau/Zell) to right in front of the hostel, “Hebelhof” stop (journey time 15 minutes).
You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don’t need a corset if they’ve got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

Feldberg: right at the top of Baden-Württemberg. Nature? Wild. The scenery? Beautiful. Not far from Titisee and Schluchsee lakes you’ll find the highest mountain in the Black Forest. In winter, it’s a skiing paradise: 50 km of prepared slopes and several snow machines enthral skiers. In summer, it’s a dream: how about a ride in the cable car to Feldberg Tower? In the heart of the largest nature reserve in the Black Forest, Feldberg comes out on top!

Location & Directions

Feldberg lies between altitudes of 950 m to 1500 m in the Black Forest, in Baden-Württemberg’s biggest nature reserve. The hostel is on the summit of Feldberg mountain, at an altitude of 1234 meters.

Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religious conditioned food and offer special meals for sportsmen and seminar attendees.

For day trips we are happy to provide you with a lunch package and a hot dinner in the evening. For reasons of environmental protection, we kindly ask you to bring a appropriate lunch box for the packed lunch.
