YOUTH HOSTEL FREUDENSTADT

Welcome to FREUDENSTADT

You can count on us!

For 100 years, youth hostels have embodied values that make life richer. Hostels are for all those who go through life open-mindedly, who want to experience togetherness and who actively approach others, who are courageous, even adventurous at times. Because young people don't need a corset if they've got a backbone of their own. The only time they twist and bend is for sports or with laughter. They are people who live a life worth living, worth envying, and they make more of it.

Portrait

Freudenstadt – the real capital of Wuerttemberg? If the town's founder Duke Frederick I had not died in 1608, the issue of which town should become the capital might have been decided differently. Even though there is no palace, Freudenstadt is known because it has the largest market place in Germany. Many shops under the arcades invite you to browse and shop. Would you rather enjoy nature? Freudenstadt lies in a beautiful landscape. Walk for hours and really get to know the local countryside. Lost? Impossible. A well-marked network of trails will prevent you from getting lost.

Location & Directions

The hostel is in the northern part of the town, next to the "Panorama-Bad" pool facility.

Enjoy your meal

The greater the variety, the more yummy it is. We are happy to satisfy individual guest wishes. According to prior agreement, we are prepared to adjust to vegetarian and religious conditioned food and offer special meals for sportsmen and seminar attendees.

For day trips we are happy to provide you with a lunch package and a hot dinner in the evening. For reasons of environmental protection, we kindly ask you to bring a appropriate lunch box for the packed lunch.
