### You can take our word for it!

For over 100 years, Youth Hostels have stood for values that make life richer. For all those who go through life with their eyes wide open. For those who want to experience community, who approach others, who are courageous, or even adventurous at times. Because young people don't need to be corseted if they have a backbone. The only time we'll twist and turn is for sports, or with laughter. Because we're enviable lovers of life.

### Portrait

The most beautiful way to discover Heilbronn is by river navigation on the Neckar. Adjacent to the famous "Käthchen von Heilbronn", everything deals with this river: the largest river port of the Neckar, the promenades alongside the Neckar near the Neckar park with the event and learning centre "Experimenta" as well as the Neckar valley. You want any more wet action? Go for the "Aquatoll", having fun with the petal boat or to the Breitenauer Lake which is the largest swimming lake of Baden-Württemberg.

Bicycle riders and walkers get one's money worth: enjoy pure nature on tours through the Kocher Valley and the Jagst Valley.

### Location & Directions

The youth hostel is situated in the city centre on the fair ground of the Neckarbogen which is directly located on the area of the "Bundesgartenschau 2019".

### Enjoy your meal!

The greater the variety, the more yummy! We are happy to satisfy individual wishes of our guests: Enjoy your meal! According to prior agreement, we do offer vegetarian meals as well as special meals for sportsmen and sportswomen and seminar attendees. For special wishes, please contact us in time (approx. 4 weeks before arrival).

If you have booked full board, you receive a packed lunch for day trips and a warm dinner. For reasons of environmental protection, we kindly ask you to bring an appropriate lunch box for the packed lunch.
