Welcome to KONSTANZ

You can take our word for it!

For over 100 years, Youth Hostels have stood for values that make life richer. For all those who go through life with their eyes wide open. For those who want to experience community, who approach others, who are courageous, or even adventurous at times. Because young people don't need to be corseted if they have a backbone. The only time we'll twist and turn is for sports, or with laughter. Because we're enviable lovers of life.

Portrait

The town of Constance on Lake Constance. The Seenachtsfest festival and sea life centre. A Roman fort and council buildings. Tired of strolling around town? Small restaurants and cafes await you in the leafy streets. How about a visit to the oldest theatre still in use in Germany in the evening? Constance is steeped in history. Constance pulsates. A profusion of flowers, a sea of colours both delicate and beautiful - that's Mainau Island. Fancy a trip to the island of flowers? Or would you rather diving into the lake?

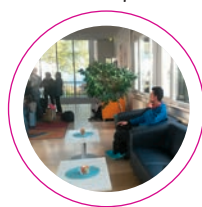

Location & Directions

Constance is the only German city on the southern bank of the Rhine. The hostel, completely renovated in 2001, is in a former water tower with adjoining buildings, in the northern suburb of Allmannsdorf.
