Due to the measures to be introduced by the authorities regarding Covid-19 and the associated increase in expenses, we unfortunately had to adjust our prices for 2020. At the same time, however, this will give you more flexible conditions in case of cancellation. For families and individual travellers, this means that they can cancel 24 hours before arrival. For groups there is a reduced cancellation period of 14 days before arrival. For package tours, a reduced cancellation period of 4 weeks before arrival is possible.

Notes:

Members only	Condition for the overnight stay in a German Youth Hostel is the membership in the German Youth Hostel Association or another national Youth Hostel Association. If you live outside of Germany, you can purchase membership in your own country or via Hostelling International. (www.hihostels.com/membership).
General Terms and Conditions	The General Terms and Conditions for accommodation in Youth Hostels as well as the house rules apply for a stay in a German Youth Hostel.
International Guest Card	An international guest who does not hold a membership card can purchase an International Guest Card at the Youth Hostel in place of membership. More details >>
The Rooms	<p>Guests in a Youth Hostel are normally accommodated in dormitories. If rooms are available, single or twin bed rooms can be booked. Rooms for exclusive use can be booked for an additional fee (7,00 - 14,00 €) if available. It is not always possible to accommodate all family members in one room. An early reservation including a note that you are a family is advisable.</p> <p>Breakfast and bed linen are included in the price – room service is not: usually, you have to change the sheets yourself. The booking of half board is in some Youth Hostel necessary for economic reasons during a stay of three nights or more.</p>
Great value for families	Families with a family membership and at least one minor child pay the junior price when staying in a Youth Hostel in Baden-Württemberg. Children under the age of 3 years travelling with a family membership stay free of charge (board and lodging). Children from 3 to 9 years of age will have a 50 % discount of the junior price.
Great savings for groups	School classes require a group membership in order to stay in a Youth Hostel. Your national Youth Hostel Association can inform you on the terms and conditions. An International Group Guest Card can be obtained in place of membership by groups that are not members of a national association. A group consists of at least four members including the group leader(s). More details >>

From time to time there is a closure for necessary renovations between Christmas and New Year, sometimes even in January or February.
